

Hi Laura

Just a quicky to let you know I am NOT pregnant after all. phew! Just as well cos he was lousy in bed! I wish you hadn't got me drunk. I wanted his brother, ha ha. maybe I should 'accidentally on purpose' bump into Nico instead. What do you think? He looks like a BIG boy  
Grrrr.

By the way I lost the weight using Reductil from [www.MedBargain.co.uk](http://www.MedBargain.co.uk). They also sell that valium and sleeping tablet stuff you wanted,

Are you out tomorrow? I just got some SEXY shoes and need to wear them in!

Call you later

Clare
